GREEN SPOT PARK 'UNIQUE'

LG Coordinating Council Hears Plan for Park Here

Lemon Grove's first green spot park, planned for a three-acre site at Alton and Washington streets, will represent more than \$60,000 when it is completed, Cletus Gardner told members of the Lemon Grove Coordinating Council Wednesday.

CALLS FOR HELP NUMEROUS

LG Fire Dept. Duties 'Spiced with Variety'

If the Lemon Grove Fire Dept. had nothing else during the past few days—it had variety.

Firemen were kept busy with (1) a run-away arc welder, (2) an open gas line, (3) a call for oxygen, (4) aid for an injured pedestrian, and (5) a couple of minor fires.

Tuesday of this week firemen were summoned to the

Cindy's Back Home -- Thanks to Short News Story and an Alert Neighbor

Cindy, the three-year-old brown and white springer spaniel missing from her home all last week, today is back home, thanks to a three-inch story in the Review and Bulletin and an alert neighbor.

Mrs. J. H. Shea, mother of 11-year-old Sharon, who owns the dog, appealed to the newspapers last week for aid in locating the family pet. Thursday morning Mrs. Shea received an anonymous phone call. "I know where your dog is," the voice said, and gave Mrs. Shea an address.

"We went to the address and picked up Cindy. The children are overjoyed," she said.

Sharon had tramped the streets of Spring Valley for days looking for her dog and had some help from her two brothers, Tom and Bob.

The Shea home is at 1621 Cameron St., Monterey Heights.

Grove Man Wins German Grant

Marion McAnear of 2354 Di Foss, Lemon Grove, has been awarded a grant by the Federal Republic of Germany to attend the summer seminar at the Goethe Institute in Munich in July and August.

McAnear, a teacher of German at Crawford High School, is one of 25 selected to make the trip. Twenty additional grants have been made by the United States government for the same institute. The grants cover the cost of round trip transportation.

day. Gardner is chief of the county's department of parks and recreation.

Gardner described the park's plan as "unique" in that the activities would be concentrated and at the same time buffered by strategic use of plantings arranged in concentric form. The quiet-type park will have no spectator activities nor public address system.

THREE STAGES

He said \$6,800 is scheduled for the first of three stages of development in the up-coming county budget. A water line for \$4,600 and a concrete slab for \$2,200 will be installed as soon as possible after the budgeted items are approved. The overall park plan must first be approved by the supervisors, however.

Peter Cuthbert, county park landscaper, said the park is being divided into three segments. Play area for big kids will be separate from that used by little kids. Another area is devised solely for senior citizens. A tier arrangement of verdant foliage will separate one activity from another.

FACILITIES LISTED

Gerald Cullison, assistant to Gardner, told Council members the park will have three tennis courts; 19 picnic tables; four large stoves and 11 charcoal braziers; a covered patio and a large play area will be built around an "animal" slide. Shuffleboard courts, horse shoe pits, and giant checker courses will be installed in the senior citizen's area.

Eventually, there will be a combination building erected for meetings or play. Certain contributions may be made to complete the park earlier, Gardner said.

Dr. Dennis McLaughlin, president of the Coordinating Council.

LG Little League Country Fair Set Here Saturday

The Lemon Grove Little League will be having a Country Fair Saturday from 10 a.m. to 4 p.m. It will be held at the Lemon Grove Little League Field, Elroy and Glencoe streets.

Lemon Grove (behind the Monterey Heights School). This is a fund raising event for the 1961 Lemon Grove Little League season. Sam Pernicano will be the official barker, and there will be fun booths with prizes for all. Field events and contests will be held, also free entertainment with Ann Alexander, Barbara Sample, and Mary Stewart starring in the "Gay 20's."

"Everybody dress in the vogue of the 'roaring 20's' and come join us for a day of fun," league officials said.

There were 69 voters.

The grand totals were: Totten 137, Allen 120, Elsperman 50 and Applegate 47. There were 193 voters went to the polls, out of a possible 9,000 registered voters in the district.

Of course this is an unofficial count, but with the small turnout at the polls it is doubtful there will be any errors. The official notice will be given following the board of commissioners' meeting Wednesday night.

The two elected commissioners will take office at the May meeting and their terms will run for three years.

There are three other fire commissioners: Luke W. Barbour, whose term is for one more year; John Elliott and Leiland Whitted, whose terms are for two more years.

EARLY ENTRY — One of this area's first entries in the county-wide Fairest of the Fair contest is pretty Marlene Bates, of 1155 Stoneridge Dr., Spring Valley, pictured here. Local contests have been set in both Spring Valley and Lemon Grove, sponsored by the Spring Valley Lions Club and the Lemon Grove Kiwanis Club respectively. County finals are in June.

The DIMMER VIEW

by MAX GOODWIN

The San Diego County Road Policy Committee, a group of county leaders chosen by county government for their interest in better roads, proposed last month that an ad valorem tax of 20 cents be levied against county homeowners for the purpose of maintaining county roads.

Roads would be put in various categories. Major roads and thoroughfares would be built and kept up out of funds now coming from gasoline and in lieu taxes. Local roads in the unincorporated areas of the county would be the beneficiary of the new 20 cent tax. Secondary and feeder roads in corporate communities would not be affected. The tax would be levied only against property owners in unincorporated areas.

The Committee's position is that taxes now being collected just won't cover all the road costs and expenses.

This shocking proposal is a new concept in road development because it takes the financial responsibility away from the motorist and places an increasingly heavy load on the taxpayer homeowner. The outrageously high gasoline and in lieu taxes the motorists now are paying just isn't enough to cover the road bill, said the Committee.

There is no question about the need for more and better roads in the county and state. Wheels, we suppose, are second only in necessity to schools, but adding the load to the homeowner's load is hardly a way of solving the road need problem.

At least one critic of the proposal says that county in lieu taxes have been put into the county general fund and the motorists taxes are being used for other purposes. That critic is Norman Lighthart, himself a member of the Policy Committee and former chairman of the L.G. chamber of commerce road development committee.

If the need for county roads and road upkeep is critical enough for a proposed property tax to be seriously proposed, we propose that the county capital outlay program be re-examined at once. Some of the funds garnered from in lieu income and now earmarked for added county facilities might be reverted to roads.

A new look in Lemon Grove has been brought about by nearly 50 lemon trees attractively set out in redwood boxes, in front of many local stores. The lemon tree project was started early this year by the revitalized merchants division of the chamber of commerce.

These trees give meaning to the town's name. The original reference was to scores of lemon ranches that abounded here a few years ago. There are spot vestiges of the community's once-biggest industry but many newer homes are where lemon trees once grew. In the recent past several acres of trees were sacrificed to new schools and churches. . . a sign of progress.

The word is getting around. As far away as Los Angeles.

Youths Arrested for Vandalism

Ernest Willy Evans, 3949 Shirlene Pl., Vista La Mesa, made a citizens' arrest of three juveniles last week after he watched them destroy an old fashioned lamp post in front of his home.

Sheriff's officers investigating the call could not locate the parents of the juveniles, so the trio, aged 13, 15 and 17, were released to the custody of an older brother.

Tired of Travelling Alone, Youth Provides Little Brother with Bike

A 12-year-old Spring Valley youngster with an uncontrollable yen for the wide open spaces, had his little brother in mind during his most recent attempt to get away from it all.

A habitual runaway, he admitted to juvenile officers last week that he had stolen a girl's 26-inch J. C. Higgins bicycle and hid it in the tall grass near his home.

And why did he steal the bike and hide it in the weeds? So the next time he ran away his little brother could go with him—and he doesn't own a bicycle.

24 Youngsters Enjoy Story Hour At SV Library

A good time was had by all 24 children who attended the story hour last Thursday morning at the Spring Valley library.

The "Enchanted Egg" and "Spotty" were the stories in keeping with the Easter theme. But the successful story of the morning was "Little Mrs. Peperpet" whose size becomes no larger than a peppercorn at the most inconvenient times.

The children were entertained by "Timmy" a little toy bear from Germany. With the wiggle of his tail his head moves to yield the cutest expressions. All the children were allowed to play with Timmy for a short period of time.

The display, in accordance with the Easter theme, was an Easter egg tree made of manzinieta and colored eggs suspended from the branches. Each colored egg held a small colored chicken.

Best wishes for a happy Easter was extended to all as they left the library after one hour of enjoyment.

Aline Stinton, librarian, said many parents and children have asked for more story hours and she is considering one each month, although no definite plans have been made.

Kids Trek to Museum, Zoo

Inclement weather did not dampen the spirits of third graders from Vista La Mesa School on their last field trip of the year to the San Diego Zoo and Museum of Natural History. Their visit to the latter spot was in conjunction with a social studies unit undertaken in class.

The Children's Zoo acquainted them with animal young, and in the direct-contact paddock they were permitted to touch and romp with llamas, goats, deer, and other animals they seldom see at close range.

For the first time many of the students enjoyed a conducted bus trip through the main zoo. Special attention is given to elementary pupils on these tours. Parents who assisted the teacher, Mrs. Martha Whaley, included Mrs. Albert Aron, Mrs. E. C. Peterson, Mrs. Carl Jackson, Mrs. E. M. Villano and Mrs. L. S. Shrinkle.

New Market Opens This Week in Spring Valley

San Diego's oldest grocers come to the Spring Valley-Lemon Grove area this week on Thursday with the grand opening of DeFalco's Food Giant market in Spring Valley. It was announced by Louis DeFalco, general manager.

Located at 555 Sweetwater road, the new market is part of the Spring Valley Shopping Center at Sweetwater road and Jamacha road, and is seventh in the DeFalco chain.

It is 30,000 square feet in size, and was built at a cost of approximately \$750,000.

All fixtures and equipment are the most modern available, DeFalco said, and the store is completely air conditioned.

DeFalco's own famous baked foods are featured exclusively in the bakery section, and the delicatessen offers DeFalco's salads and prepared foods plus other famous brands.

The liquor section has DeFalco's brands plus all popular national brands.

Joseph S. Sapienza, former manager of DeFalco's Food Giant Market in El Cajon, is in charge of the new store, DeFalco said. Assistant manager is Robert Scolar.

Sapienza started with DeFalco's seven years ago as a grocery clerk in the firm's Chalmers Quad store. Later he became assistant manager and then manager of the same store. He was transferred to El Cajon as manager when that store opened in October 1959.

Park Plan

(Continued)

It said that the Lemon Grove Kiwanis has earmarked \$500 for material to build picnic tables. Kiwanians would supply the work, making more tables available for the money invested according to Dr. Robert Burns, Kiwanis representative to the Council.

DONATIONS ACCEPTED

Gardner said the county could accept donations in the following categories: special equipment to be approved by the county; tables, either ready built or locally made to county specifications; money; certain trees and shrubs, and shuffleboard equipment for senior citizens.

The park will accommodate the parking of 30 autos and the main entrance will be on Alton street. Best estimate is that recreational activities could be started in August.

NAME IS UP TO YOU

At that time the services of one man, a half day, will be provided by the county.

The name of the park will be left up to the citizens with the admonition that it cannot be named after a living person.

Sitting with Dr. McLaughlin as the Council were Mrs. Lee Nottingham; Mrs. George Teigen; Mrs. Vernon Block; Frank Armstrong; Dr. Burns, and Edwin Koester.

LEMON GROVE SPRING VALLEY SOCIETY

Page A-2 Lemon Grove (Calif.) REVIEW, April 6, 1961

MRS. CHRIS RICHMOND

Couple Recites Wedding Vows in Sweetwater Lodge Social Hall

A noteworthy social event at Sweetwater Lodge, 10707 J. macha Blvd., Spring Valley, was the first wedding held in its social hall April 1, at 7:30 p.m. when vows were exchanged between Miss Barbara McDowell of Spring Valley, and Chris Richmond of National City.

The bride is the daughter of Mr. and Mrs. Woodrow W. McDowell, 3885 El Canto Dr., Spring Valley, and the grand daughter of Mr. and Mrs. John F. Layne, who are long time residents of Spring Valley, living at No. 15 First St. at the Lodge. The bridegroom is the son of Mrs. Marian L. Fields, 6265 Chadwick, National City.

The bride, dressed in a floor length gown of white batiste, with full skirt, entered on the arm of her father to stand in front of a fireplace banked with green. Her veil was elbow

length and caught in a chow with orange blossoms. Her bridal bouquet was of yellow and white iris, centered with yellow and white honeysuckle and asparagus fern. She was attended by Mrs. James Carter as matron of honor. Mr. Carter acted as best man. Don McGoughlin served as usher.

Rev. Alexander Milne read the marriage lines for a double ring ceremony.

At the reception following the wedding in the Lodge Recreation hall, the Misses Woodene McDowell, cousin of the bride and Karen Melton were in charge of the guest book. Mrs. Helon Melton managed the refreshments and Mrs. Vera Hogan, cousin of the bride, the punch and wedding cake. The honeymoon is being spent in the north.

How many times has this man saved your life?

Like most of us, when the kids are in the car, you get that "extra careful" feeling. You know, that's the same way your friend—the service station dealer—feels when you stop by to see him.

Over the years, you've probably come to take your service station dealer pretty much for granted. But when your kids are riding with you, aren't you glad you took his advice and had your brakes checked? His suggestions—small though they may seem to be—may have saved your life more than once. His interest in your safety is more than interest in a customer—it's concern about a friend.

And what a valuable "extra" if your own service station gives you S&H Green Stamps.

You know, of course, that half the families in America save them.

Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.

His subject, "The Child the Parent Never Sees," had to do with what the child's actions are and that he does not necessarily do things that are wrong in his eyes. Dr. Malcolm stressed the fact that parents should try more and more to understand the child "as a child" and not to put an "adult head" on the child's body.

MEET YOUR NEIGHBOR
Meet Alan Raymond, who, with his wife Shirley, daughter Gall and son Dale, is a member of our community to be proud of.

Alan is a native Californian, attended La Mesa Elementary, Grossmont High, received his AA in accounting at San Diego City College, his ES in industrial management at San Diego State, and is working on his masters in business management.

Working as assistant to the director of maintenance for San Diego schools has brought Alan close to the needs and problems of our school. He has been attending school board meetings for some time now as a private citizen, but feels he can contribute something worthwhile as a member of the board. He has decided to run for a position on the School Board for the La Mesa-Spring Valley School District. As Alan

non-paying position, so, if I didn't feel I could be of service to the community, I wouldn't bother to run."

BACKYARD SWIM
Just one more mention of the Backyard Swim program and then I won't bother you with it again this year.

Avondale's PTA chairman, Jean Murch, reports she has gotten permission for the use of one pool, and several volunteers for instructors. Of course, the more pools and instructors available, the more children can be taught to swim, and to protect themselves in water, so anyone else with an available pool, or a good, strong stroke, call Jean at HO 3-9703.

SERVICE TO COMMUNITY
For the past year, you've read the words 'Service to Community' in this column more than anything else. It's a phrase that made me shiver before I moved to Spring Valley, but, since that time, it's been given new meaning.

What does this phrase mean? To me it means the Den mothers and the men who work with the boys in Cub Scouts. It means the men who give up their weekends to take the Boy Scouts on campouts, the women who serve as Brownie leaders, the men and women who spend Saturdays and Sundays at the little league field, even part of Easter Sunday, to get the field ready so they can give up more of their spare time to coach or manage the teams, or help in the refreshment stand. It means the people who give 'coffee klatches' and telephone and ring doorbells when an election that most people are not aware of, is coming up, or when numerous charities are seeking funds. It means those who work in PTA's and the husband or wife of all these people who help by not objecting.

Being a part of these groups gives you a remarkable feeling, for they seem to have captured, for the whole year round, the true Christmas Spirit. The Spirit of giving.

A well-stocked freezer can mean an end to panicky, last-minute food preparation which frequently takes much of the pleasure from party giving. It is also the answer to the entertainment of guests who drop in unexpectedly.

My cooking program, "A Freezer Plans A Party," to be presented Tuesday, April 11, from 10 to 11:30 a.m. and Tuesday, April 23, from 1:30 to 3 p.m., in the auditorium of San Diego Gas & Electric Company's Eastern District Office, 104 North Johnson Street in El Cajon, will demonstrate how party giving can be fun rather than a chore, through the efficient and timely use of a freezer.

You'll discover how you can freeze in advance everything on a full-course party menu from canapés, soups, tea sandwiches, and main dishes, to the most delicious desserts such as meringue tarts and cream puffs. And you'll learn how to be ready for that spur-of-the-moment entertaining with a freezer filled with tasty sauces that can glamorize hamburgers and spaghetti from the same freezer. After seeing this demonstration, you'll realize the ever-present loyal servant you have in your freezer whether in preparing those daily meals for your family or when serving prize-winning foods at those special party events.

Be sure to mark your calendar as a reminder to attend one of the scheduled meetings. In addition to my cooking demonstrations, recipes will be given for your future guidance. Then, too, there'll be the usual valuable appliance door prize and you may well be the winner.

Virginia Gross, Laurence Lipska Wed in Baptist Church Ceremony

The First Baptist Church of Spring Valley recently was the setting for a late March wedding, uniting two local young people, Miss Carolyn Virginia Gross, daughter of Mr. and Mrs. Charles Gross of 363 Encinitas avenue, Lomita Village; and Laurence Lipska, son of Mrs. Leo Lipska, 8741 Lamar St., Spring Valley.

It was a double-ring ceremony, with the Rev. Ernest Nichols, former pastor of the church, performing the ceremony. He was assisted by the Rev. Roland Taylor, present pastor, who also was the soloist. The bride was given away by her father.

The bride wore a white lace and net floor-length gown. Her pearl-studded tiara trailed a shoulder-length veil. She carried a bouquet of orchids and stephanotis.

Maid of honor was Kay Maynard, who wore a yellow brocade, street-length gown; bridesmaids were Marion Gross, sister of the bride, who wore a blue gown, and Sandra Calbreath, who wore a pink gown. The maid of honor and the bridesmaids all carried carnations.

Best man was Bruce MacIntosh; ushers were John Whitaker, Gary Lipka, brother of the groom, and Gil Merriam. Flower girls were Patricia Gross, sister of the bride, and Muriel Lipska, sister of the

groom. Organist was Mrs. Jessie Thomas.

The reception for 250 guests was held in the social hall of the church. Following the reception the newlyweds honeymooned to the Los Angeles area. They are currently living at 8741 La Mar St., Spring Valley.

The Jee family includes two girls and two boys, ages 10, eight, three and two. Mrs. Jee has a nurse's education, and served in World War II.

Spending his early years in Indonesia, Jee has lived for the past 11 years in the Netherlands. A 1956 college graduate, he has worked on "Strength of Materials" studies with a textile bleaching company, a power plant manufacturing company with stationary and marine application and the Royal Dutch Nuclear Research Center.

He left the comfort and security of the last position to come to San Diego in the interest of his children's future.

As yet the children know only the Dutch language. But they are intelligent and alert and their happy smiles speak a universal language, a church spokesman said.

The Foreign Mission Board appointed 137 missionaries during 1960 for a net gain of 99, bringing the staff at the end of the year to 1,480—623 men, 631 married women, and 226 single women.

Sunday schools sponsored by the overseas Baptist churches and missions in 1960 enrolled 389,138 persons; youth organizations, 115,715; Women's Missionary Unions, 127,510; Brotherhoods, 4,802; and Vacation

church membership to 452,975, a spokesman said this week.

The number of churches increased by 130 to total 3,399, and missions by 190 to total 6,522. Contributions through the churches and missions amounted to \$3,262,290.30, an increase of more than \$1,000,000 over the year before. Sixty-four per cent of the churches were self-supporting.

The information is recorded in the Southern Baptist Foreign Mission Board's 1960 report, a compilation of figures and facts from the 45 countries and territories where Southern Baptist missionaries serve. The annual report will be presented to the Southern Baptist Convention when it meets in St. Louis, Mo., in May.

Steve Jupin, 12-year-old member of the La Mesa Table Tennis Association, sponsored by the La Mesa Recreation-Park Department, won the Midget Division (13 and under) as well as the Boys (15 and under) Doubles Title, held last weekend in the Arizona State Open Championships. Welfare Association Grants Scholarships

The Spring Valley Welfare Ass'n this past week announced its awarding of two scholarships for students anticipating a study course in the medical field. The association awards the scholarships under its Jessica Higbie Scholarship fund, Mrs. Higbie being one of the founders of the association.

STUDENT WINS

Christine Mathewson, a student at Mt. Miguel High School, was one of the awardees. She is the daughter of Mr. and Mrs. Philip Mathewson of 9565 Lamar St., Spring Valley. She will receive \$150 toward her education. She has been active for the past six years in the Lemon Grove-Spring Valley 4-H Club, as was her sister, Ann, who now attends the University of New Mexico. Her brother and

folks have also been interested in the 4-H work.

Asked about her plans for the future, Christine said she would like to take a year of nurse's study at San Diego State College and then go to the Bellevue School of Nursing in New York.

NURSE WINS

The other scholarship award goes to Christina Bowne, daughter of Mr. and Mrs. William Bowne of 2430 Central Ave., Spring Valley. She was awarded a \$150 scholarship last year and the present one is a "booster" to help her along with her studies. She is finishing up her first year at Bellevue. Her mother said Christina plans to "go right ahead" with her studies, to get her R.N. degree and make a career in the medical profession.

SD County Aircraft Owners Gain \$11,970 in Gasoline Tax Refund

SACRAMENTO — Refunds totaling \$2,957,927 were paid in 1960 to California's growing multitude of aircraft operators. State Controller Alan Cranston reported today.

San Diego County owners were allocated \$11,790.95. Of that total \$5,895.43 went to county owners and \$5,895.47 goes to those in the cities of San Diego (\$5,649.37) and Oceanside (\$246.10).

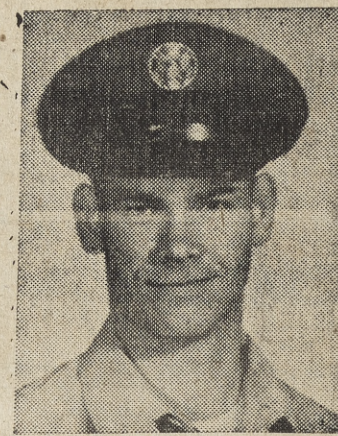

Cranston said most of the 6,813 honored claims were filed by fliers of private airplanes. The refunds were based on a total consumption of 49,293,789 gallons of gasoline. They represent an increase of \$678,678 from the 1959 figure of \$2,279,249. The gallonage increased by 11,311,304 from the 1959 total of 37,987,485.

The 6-cent a gallon motor vehicle fuel tax paid on gasoline used in aviation is subject to refund because the fuel is not used on the state's highways.

The figures do not include gasoline purchased by most of the major airlines. They purchase their fuel on a tax exempt license authorized by the State Board of Equalization.

Cranston also announced the apportionment of \$350,000 in unrefunded taxes on aviation gasoline among the counties, airport-owning cities and two airport districts which are considered as counties for apportionment purposes.

Huska at Keesler AFB

Andrew Huska, son of Mr. and Mrs. A. J. Huska of 3492 South Barcelona St., Spring Valley, is now stationed at Keesler Air Force Base, Mississippi.

Huska, A3C, is receiving technical training in electronics. He received basic training at Lockland AAB, Texas after enlisting in the Air Force January 9.

He was graduated from Mt. Miguel High School last year.

4 Youths Admit Auto Thefts in Spring Valley

Four youths, age 15 and 16, have admitted a burglary, three auto thefts and petty thefts in the Spring Valley area, the sheriff's department said last week.

Victims included Harry E. Huntsinger, 1960 Sweetwater Rd., who reported hubcaps taken from his trailer; Horace E. Freeman, 2710 Bancroft Dr., Spring Valley, an auto stolen; Harold Burton Eddy, 7414 Canton Dr., Lemon Grove, an auto stolen; Woodrow L. Barnum, 8763 Tyler St., Spring Valley, auto stolen; Royal E. Dieter, 1668 Tarleton St., Spring Valley, whose home was burglarized; and Robert L. Fisher, 415 Ramona, Lemon Grove, a battery stolen.

Officer R. E. Torbett of the Sheriff's Juvenile Dept. is in charge of the investigation.

Cycle Stolen from Lemon Grove Home

Algermon M. Petty reported to sheriff's officers last week that his 1961 Honda motorcycle had been taken from in front of his residence, 7385 Palm Ave., Lemon Grove. The key had been left in the ignition, he said.

Investigation revealed that the cycle had been pushed through the rear door of a garage at the above address and around the side of the building to the street.

Sale of Fair Tickets to Benefit Dental Health

An opportunity to purchase reduced rate tickets to the 1961 Southern California Exposition and San Diego County Fair at Del Mar June 30 through July 9 is now being offered San Diego County residents.

Advance sale ticket buyers will also be aiding the Parent Teacher Association's county wide dental health program for children, since a certain percentage from the sales will remain with the PTA organization to promote this program, according to Mrs. Elmer E. Sowers of San Diego, dental health chairman, Ninth District, PTA.

Family Survival Classes Offered At Adult School

The Grossmont Adult School announces a new course in Individual and Family Survival will be held at Helix High School on Thursday, April 13, from 7 to 9:30 p.m. in Room 1. This class will continue for five consecutive Thursday evenings. At the completion of 15 hours work a certificate will be issued.

This class is in response of the Congress of the United States who have appropriated funds so that the knowledge of survival can be taught to all of the people across the nation.

Under the class instruction of Jack Lindsey ways and means of preparation and protection for survival of the family from natural or man made disaster will be the major concern of the course. Area to be covered will be local and national measures for civil defense how to be prepared in case of a nuclear biological, and chemical warfare, and basic survival techniques. "People who are prepared and have knowledge can survive" is the theme of a national security program.

Foul-up on Dates

A headline in the Lemon Grove Review and the Spring Valley Bulletin last week listed the date on a "crash hearing" on the Spring Valley sewer issue, as April 8. The correct date is April 18.

In an article in the Bulletin another incorrect date was printed. The Fire Commission election date was given as April 11 and should have read April 4.

And there were 470 voters in the La Presa Water District election—not 1415 as was reported in both newspapers.
